## President's Welcome

Dear Members,

Welcome to season 2023,

I'd like to acknowledge the players, officials, sponsors and supporters for their contributions during the 2022 season. To our B grade side who played in a grand final of which of the likes we may never see again. The Mallala football club was again fortunate to win the Tucker plate for the most successful club during the minor round. Season 2022 was successful for the Mallala Football Club in Individual awards in 2022 they were Hamish Wildbore won the junior colt APFL best and fairest medal and best on ground medal in the u14 carnival.

Jack May won the senior colt APFL Best & Fairest medal and the highest vote award in the APFL medal count Daniel Griffiths Runner up best and fairest in the APFL B grade.

Its been the First season with the new extensions you would all agree that these have been a huge asset to our club, and we are extremely lucky to have top class facilities for us to enjoy special mention must go to our own Keith Earl, Brian Tiller, Roger Work for their countless hours on the tools also to the many more members which played a big part in the process thank you.

The club is pleased to have the following coaching group for season 2023: A grade - Liam Whitwell; B grade – Daniel & Nathan Griffiths; U17's - Riley Thorne, U14's – James Wildbore; U11' s - Ryder & Shane Mead; U8's – Brooke Griffiths; Auskick - Ian Mcmillian I would like to wish them all the very best for season 2023.

The Club is very keen to build our volunteer base. Our volunteers are essential to keep the Club operating at the high standard we are accustomed to. During a week leading up to a home game the club needs volunteers to fill over 50 separate rostered positions related to the below tasks:

- Oval & clubrooms match day set up.
- Sunday morning clean-up of clubrooms, change rooms, showers & toilets.
- Canteen operations
- Saturday night teas
- Game day bar
- Gate entry
- Thursday night teas & bar

This number does not take into consideration the additional volunteers needed for catering and the many other tasks related to fund-raising events and ventures held throughout the year, or the 40 volunteers that commit to tasks directly related to teams on game day and at training every week.

Rosters contained in this booklet are essential for the club to function in an enjoyable and effective manner. Please contact me or a committee member if you can be help with any of the above tasks. Working in and around our club is rewarding and satisfying as our sporting clubs are part of the heartbeat of our rural communities.

I look forward to getting to know and support our 2023 playing groups and wish all players and supporters a successful 2023 season.

Please consider what our club sponsors may have to offer you. Our Sponsors would greatly appreciate the chance to give you a quote and provide you with the supplies or services you may need. The financial support our sponsors provide is vital for the club.

## Mallala Netball Club

Welcome to the 2023 Season!

Our club had a fantastic netball season in 2022 however we narrowly missed out on a few premierships. We are looking forward to this season with the hopes of a bigger and better year.

Our teams are looking strong. We have been lucky enough to have quite a few new Snr and Jnr players join us this year from other clubs, regions and associations. We are really excited to welcome them as the newest Magpies! Along with our local girls and returning players we are set to have some really strong talent on court for 2023. This year we will again see some very competitive games and as always, we encourage everyone to come cheer us on.

Our Junior players show more skill and strength every year and the girls are ready to get onto the court. They are going to achieve great things for themselves and for our club this season.

Maggies Senior coaches are a great group of experience and talent. Our A1 and A2 squad will be coached by Kirsten McMillan and Nicky Graham. Our A3, A4 and A5's coaches are Ella Thorne, Claire Earl and Robyn Cocks. We cant wait to see what this collective of great 'Netty' minds will showcase this season!

Our Junior coaches are just as excited as their players for the season to start. U15's will be coached by Emma Pannell, U13A's by Naomi Cheek and U13B's by last years premiership coach Georgia Sergejevs, who are all ready to guide the girls to a few more medals this year! Megan Lange will coach our mini superstar U10's. Our Juniors are a lucky bunch with these amazing ladies guiding them.

Our new shelters are ready and will provide much needed sun and rain cover for officials during matches. All our clubs fundraising efforts and support from our community helped us gain these and we appreciate how lucky we are to have these now.

It is important to thank last years committee for their hard work and commitment to our club. A special thankyou goes to Nicky Graham as she finishes her time as Secretary. I would like to welcome Amy Cawrse as our new Secretary, along with returning committee members Claire Earl, Dani McGannon and Jacinta Cocks.

We have been lucky to pick up a few new big sponsors this year alongside our ongoing sponsors. Look out for more details on our exciting new sponsors as they will be featured on our social media pages throughout the year. As always we would like to extend our appreciation to them as well as our supporters and life members for their continued dedication to our club. Without you all we could not be as great as we are!

Looking forward to seeing you all courtside! SWOOP!
